Examination
ENGR3220 Human Factors and Interface Design
Spring 2009

You may take this exam at a time and place of your convenience. However, you should treat this exam as a (self-administered) in-class examination rather than a take-home; it is intended to be completed in single sitting lasting approximately 2 hours. You may give yourself additional time, within reason, to complete the work, but you should not take the exam over several sessions or use more than double the allotted time.

This exam is to be taken closed book. You should not consult any books, notes, classmates, electronic or other resources in completing the exam except as explicitly noted. Other than the instructor, you should not discuss this exam with anyone until Thursday April 16.

You may complete this exam electronically (e.g. as a word document or pdf) or by hand on paper. Because it contains some images, it may be helpful to (be able to) view it online or to have relatively high resolution color printouts of those pages. If you work on paper, please use a dark pen or some other method that will scan/copy legibly.

Please put your name on every page of this exam and (if applicable) on any additional pages that you wish to turn in. Please also number any additional pages and indicate that you have done so in the appropriate place at the end of this exam.

If there is something unclear about the exam, you may try to contact me. I can often be reached between 7:30am weekdays/9:30 am weekends and 10:30pm by some means, including email, instant messenger, or a phone call. If you cannot reach me, simply make a reasonable assumption and document that assumption in writing on your examination.

After you have completed the exam, please copy the following statement onto the final page, filling in the appropriate times and dates, and sign your name:

I began this exam at <fill in time and date> and completed it at <fill in time and date>. I have neither given nor received unauthorized assistance during the completion of this work. I agree not to discuss this exam in any way until Thursday April 16.

If you cannot write out this phrase and sign your name to it, please explain. 1

Your exam should be turned by emailing it to las by the end of Tuesday, April 14. If you complete the exam on paper, you should email it using the handy dandy scan-to-email features of the Olin copiers; in this case, please leave your original exam with Holly Bennett in OC361.

DO NOT TURN THIS PAGE UNTIL YOU ARE READY TO BEGIN
