You may take this exam at a time and place of your convenience, but you will need internet access to complete some of the questions.

Please treat this exam as a (self-administered) in-class examination rather than a take-home; it is intended to be completed in single sitting lasting approximately 2 hours. You may give yourself additional time, within reason, to complete the work, but you should not take the exam over several sessions or use more than double the allotted time.

This exam is to be taken closed book. You should not consult any books, notes, classmates, or other resources in completing the exam except the specific Internet pages listed. NOTE that this policy differs from prior years and the exam has been written with this policy aspect in mind.

You may complete this exam electronically (e.g. as a word document) or by hand on paper. If you work on paper, please use a dark pen or some other method that will scan/copy legibly. Please write your name on every page of this exam and on any additional pages that you wish to turn in. Please also number any additional pages.

If there is something unclear about the exam, you may try to contact me. I can generally be reached between 7:30am weekdays/9:30 am weekends and 10:30pm by some means, including a phone call at home. If you cannot reach me, simply make a reasonable assumption and document that assumption in writing on your examination. Otherwise, you should not discuss this exam with anyone until Thursday November 16.

After you have completed the exam, please copy the following statement onto the final page of your exam, filling in the appropriate times and dates, and sign your name:

I began this exam at <fill in time and date> and completed it at <fill in time and date>. I have neither given nor received unauthorized assistance during the completion of this work. I agree not to discuss this exam in any way until Thursday November 16.

Please sign your name to indicate that you have abided by all rules and conducted yourself according to the Olin College Honor Code. If you cannot write out this phrase and sign your name to it, please explain. ¹

Your exam should be turned by emailing it to las by the end of Wednesday, November 14. If you complete the exam on paper, you should email it using the handy dandy scan-to-email features of the Olin copiers; in this case, please leave your original exam with Holly Bennett in OC361.
